Letter to Edgar Trow

Barre, Vt.

Dear Sir: Thomas J. Bannon, druggist, Westerly, R. I., says:

Westerly painters expect a gallon of paint to cover 10 sets of blinds; Devco covers 25; there is no such thing as rubbing this out.

(The usual reckoning is for a gallon to cover 10. We suspect the Westerly people don't wear their paint until it gets very shabby.)

Devco covers more; of course we know that; we know why too; it's all paint and full measure.

Yours truly,

F. W. Devco & Co.
